In re Application of
Alexandru C. Doaga, et. al.
Application No. 10/767,407
Filed: January 29, 2004
Attorney Docket No. 6234/79714

DECISION ON PETITION
TO WITHDRAW FROM
RECORD

This is a decision on the request to withdraw as attorney or agent of record under 37 CFR §§ 1.36(b), or 10.40 filed December 30, 2009.

The request is **APPROVED**.

The request was signed by Timothy P. Maloney on behalf of himself and all attorneys/agents associated with Customer Number 22242. Therefore, Timothy P. Maloney and all the attorneys/agents associated with Customer Number 22242 have been withdrawn. Therefore, applicant is reminded that there are no attorneys/agents of record at this time.

The Office will no longer change the correspondence address to that of a new practitioner unless the Request is accompanied by a power of attorney to a new practitioner (e.g., Form PTO/SB/82).

The request to change the correspondence cannot be accepted since it is not of the first named signing inventor or the intervening assignee that complied with the requirements of 37 CFR 3.73(b)¹. Since the requested correspondence address is not that of: (1) the first named signing inventor; or (2) an intervening assignee of the entire interest under 37 C.F.R. 3.71, all future communications from the Office will continue to be directed to the above listed address until otherwise properly notified by the applicant.

¹ In order to request or take action in a patent matter, the assignee must establish its ownership of the patent to the satisfaction of the Director. In this regard, a Statement under 37 CFR 3.73(b) must have either: (i) documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment), and a statement affirming that the documentary evidence of the chain of title from the original owner to the assignee was or concurrently is being submitted for recordation pursuant to § 3.11; or (ii) a statement specifying where documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office (e.g., reel and frame number).

This application is being referred to the Board of Patent Appeals and Interference for examination in due course.
